INSTALLATION INSTRUCTIONS:

· It should be used exclusively in accordance with intended use.

· Mount exclusively in specialized workshops.

· The connection between the lamp and vehicle's installation should be isolated with heat-shrink tube, or, alternatively, with isolating tape, to avoid getting water and moisture to the copper wire of the lamp, which can damage electronic components. When it comes to lamp and plug, the plug should be mounted safely.

· Do not cut off tinned ends.

· Lamps must be installed only in accordance with UNECE regulations
